

Local support. A lasting place in school life.

Help a school fund useful carpool tags or inspiring character banners, with thoughtful recognition for the local business or organization making it possible.

TWO WAYS TO HELP

Carpool tags

Put the school on the front and sponsor artwork on the back, or choose blank tags for a sponsor's own sticker. Plan the quantity and layout around the school's pickup program.

Character education banners

Help fund banners in school colors, with a small sponsor-name credit at the bottom. The character message stays the focus.

Customer example: Saint Paul's EEC with Oyster Ortho sponsor recognition.

START A CONVERSATION

1. Connect

Choose a school and a local business or community partner.

2. Plan

Share products, quantity, artwork, and timing with Prosign.

3. Approve

Review the custom quote and school-approved design before production.

Every project is quoted individually. Schools and sponsors can both inquire. Final artwork, pricing, payment arrangements, and delivery are confirmed before production.

Let's plan your school's sponsorship.
